

Hello Jigsaw Fan!

Why join the BCD?

The **Benevolent Confraternity of Dissectologists** is a club for jigsaw puzzle enthusiasts. Our members range from those who enjoy doing all sorts of jigsaws (aka “Dissectologists”) to others who have detailed knowledge of their manufacture and history.

Membership benefits

- Take part in our sociable puzzling gatherings – we arrange four meetings per year in various parts of the UK, including a house party weekend. You’ll see a wide variety of unusual and beautiful wooden and cardboard puzzles - some vintage, some new. You can try something different, exchange information, and buy or sell jigsaw puzzles.
- Participate in virtual meetings showcasing members’ puzzle interests – we run a couple per year.
- Receive “Jigsaw Pieces” (quarterly full-colour magazine).
- Access the Members section of the BCD website, including the magazine archive (from the first issue in 1985 when the club was founded) and other resources.
- Join our Facebook & Flickr groups to share photos and information with fellow members (both UK & Worldwide).
